## SCIENCE FORTNIGHT

6th - 17th March is Science Fortnight. As part of this, children will be completing lots of exciting experiments and activities in their classes along the theme, 'Cracking Chemistry'. To celebrate the children's learning during this fortnight, we would like to invite parents to an Open Afternoon from 2:45 on Friday 17th March. This will take place in classrooms and will give you the opportunity to see what your children have been learning about during these weeks.

## Wisepay hints and tips

### To access Wisepay

From the school website - [www.manorfields.herts.sch.uk](http://www.manorfields.herts.sch.uk) - go to Parents, Wisepay to get to the Wisepay page and there is a link there to get to the Manor Fields Wisepay website.

There is also a link to the Wisepay page on the top right hand corner of the website.

### New accounts

If you haven't logged into your child's Wisepay account and would like one, please e-mail [finance@manorfields.herts.sch.uk](mailto:finance@manorfields.herts.sch.uk) and we will send you information on how to log on with a system generated password.

You then log on and change the password to your own.

### Merged accounts

If you have more than one child at the school you can merge the different accounts.

Log into each account and set them all up with different passwords. Log into one child's account (your youngest child is best if you have more than 2 children in the school) and then you can go to **My Merged Accounts** on the blue bar. Click on Merge an Account and then log into the other accounts. You will then see all the accounts from the first one you logged in as.

If you have merged accounts that are for the same person then just e-mail the finance address and we can clear those for you.

### Check payments

If you are unsure if you have made payment on something you can click on **My Wise Account** on the blue bar and see what you have made payment for recently.
